## THE NEW NORMAL

I'm pleased to report that the first Sunday back at West Hampton went well. While many of us wore our masks and kept our social distance, we did our best to offer worship that was pleasing to the Lord. We know that some of you are still not at that comfort level to be there in person, but we know you were there in spirit, hopefully joining us online.

To be clear, if you have children, you are absolutely welcome to bring your entire family into the sanctuary for the 10:30 a.m. service. While we are unable to offer nursery services at this time, we had many children in the sanctuary, to include one still in the first year of his life, providing sweet sounds and the occasional comic relief.

Thank you for your flexibility, and we look forward to adding more facets of ministry, such as Sunday school and Wednesday night programming, when the time is right.

Stay well,  
 Jim Wiser
