Volume 65, Issue 6

When an automotive designer creates a new car, they have specific plans in mind for the auto to perform. A Cadillac is designed for a luxurious ride, a pickup is designed for hauling things and 4 wheelin', and a Honda Civic is a passenger car designed to get great gas mileage. Each vehicle, no matter what it is, has a specific created design and purpose.

Just as an automobile designer creates cars with a specific purpose in mind, God has created each of us the same way.

Ephesians 4:1 tells us - "Therefore I, a prisoner for serving the Lord, beg you to lead a life worthy of your calling, for you have been called by God."

The Great Designer has created us with great purpose, and with that purpose has placed within us talents, and gifts, and hearts filled with unique passions. We have been created and called to do certain things well. And each of us has been created to live a life worthy of our calling.

But just like an automobile, we can use our lives for something outside of our purpose. You see, I could take that Cadillac and try to haul hay bales with it or take that Honda Civic and try to go off-roading into the mountains. But it won't work out very well. Why? Because they weren't created with that in mind.

Just like with the automobile, we can choose to use our lives for purposes outside of the realm of the Creator's design. God will always allow us to choose how we spend our lives, but if we would ask and listen to what He had in mind when He created us and allow ourselves to get out and travel the road the way He designed us to travel it, we would ultimately find greater purpose and joy.

Ephesians 2:10 tells us, "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

It's time that we stop trying to be something outside of what we were created for. It is time that we start looking like the masterpieces that God has created us to be... the things He planned for us long ago.

In Christ,  
Pastor Phil
