WEDNESDAY DINNER & BIBLE STUDY

The Book of Exodus
Dinner starts at 5:00PM
Mission Friends, Children in
Action, Youth Group, Pastor's
Bible Study at 6:00PM

The world, seemingly, is filled with a daily number of hardships; things that if we aren't careful will keep us from enjoying this life to its fullest. But is there a way to get past those boulders in our way? It is all about our focus!

Psalm 121:1-2 tells us, "I lift up my eyes to the mountains. Where does my help come from? My help comes from the Lord, the maker of heaven and earth."

What do we do when our difficulties seem to have no end in sight? What do we do when the bills are bigger than the income? Or when our marriages seem on the rocks? Or the objects in front of us seem too insurmountable?

We need to take our eyes off the obstacles in front of us, the hardships behind us, and the things that seem immovable around us. We ultimately need to stop focusing on the bad situations around us... and we need to change our focus to the God who has promised to go before us!

The situations in life still may not change, but you will be surprised how placing our eyes upon Jesus will change how we respond in the middle of them.

*In Christ,
Pastor Phil*

Summer brings thoughts of travel, camps, mission trips, catching up on reading, and more. This summer, take advantage of your extra time together to be on mission for the kingdom.

Our youth will be attending camp this month. We also have several church members traveling to Standing Rock in July. Please be in prayer for all who will be on mission.

How will you be on mission this summer?
